Important Instructions for the Examination [Please read carefully]

No one is allowed to enter the examination hall/presentation hall without valid admit card and University ID card / College ID Card.

You cannot enter the examination hall/presentation hall after the commencement of the examination. You have to come atleast 30 minutes early.

Kindly remember gates will be closed just after the commencement of examination.

You cannot leave the examination hall until 60 minutes of commencement of the examination.

You can use only BLACK or BLUE ball point pen for all entries on the answer sheet including the answers.

Mobile Phones are not allowed even in Switched off Mode.

Possession of Mobile phone even in SWITCHED OFF mode will be treated as MALPRACTICE and would invite strictest punishment.

There will be no arrangement made in the examination centre for the safekeeping of the mobile phone and the invigilators are not authorized to keep your mobiles.

You can bring only Non Programmable /Non Scientific Calculator in the examination hall (if mentioned).

You have to use your own stationary. Borrowing of stationary is not allowed in any cases.

You will be disqualified immediately if you are found using unfair means, disobedience of instructions, cheating, discussing with others etc.

Decision taken by campus management committee will be final.

Best of Luck!
